The DVD entitled *All Natural 1* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

This DVD contains a feature identical to a previously examined and classified DVD, and contains some additional material in the form of notices. The DVD was previously classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 13 August 2001.

The additional material does not provide grounds to alter the classification given to the original publication.
